Our YEAR *at Davidson . . .*

Another year has come to an end. To Davidson it has been the long-awaited year of return to normalcy. The student body has swelled to over 900 men, the classes are in proper proportion to one another in size, and most of the campus organizations have been re-activated.

To those of us returning from service in the armed forces, it has been an important year—one which we would like to remember. Separation from Davidson has taught us that what we recall most vividly are the friendships and associations created here on the campus . . . with our fellow students, and with the members of our faculty.

A session in the library.

May These

"Going our way?"

"Sigma Upsilon will meet tonight."

Time out for a coke.

Pages Perpetuate It . . .

We remember our classes, and our extra-curricular activities. We think often of our chapel programs, where the student body gathers to hear outstanding speakers, to sing hymns, and to worship together; and where cries of "Pass him down," "Oop, oop, oop!" and "How now, brown cow!" interrupt the student announcements.

The dance week-ends and the trips to Charlotte, the hall prayer meetings and the Y. M. C. A. gift fund, the nightly trip to the stud and the cries of "Freshman, take this laundry!", Salem Day and the spirit of Rush Week, the weekly copy of the

Spring elections.

"Pass him down!"

Sunday Morning Worship.

In Our Memories . . .

Davidsonian and R. O. T. C. drill . . . all these things make an indelible impression on us. Nor will we soon forget football games, Homecoming decorations, Senior Faculty day, pep meetings, bull sessions, spring elections, and all the other activities that go to make up Davidson life.

Words and pictures alone cannot fully portray what Davidson really is, but in these pages we have made an attempt to make vivid in our memories those things which are so integrated with life on the campus that they not only are a part of Davidson, but actually are Davidson.

Checking the P. O.

"Got a cigarette?"

"Our God, our help in ages past."

Georgia bull session.

"Hey, Freshman!"

Physicists at work.

"Archer sells a horse to Burch."

THIS BOOK WE DEDICATE TO

Professor LILLY

Bringing to Davidson College an exemplary devotion to task and steadfastness of ideal, Henry Tracy Lilly, Professor of English, has increased by full measure the dynamics of our faculty. Because Professor Lilly has enlightened our minds and stimulated our thinking, we pay written tribute here as we dedicate this volume to him. We admire him for his interesting personality, calm approach to life, and for his conviction that the nature of things must be given in their true light. It is an historical token that we here declare publicly our realization of Professor Lilly's service in helping to prepare us, with his challenging classes, for our life ahead.

The Administration

Carrying the executive and administrative duties of this institution is a full-time position of co-ordination and activity. With an enrollment of over 900 men this year, the capacities of the staffs have been taxed. It is a fact, of which we are rightfully proud, that the school year, under such burden has progressed smoothly. Listing those responsible, there are: Mesdames Orrie A. Steele, Sarah Johnson, R. A. Little, Gordon Caldwell, E. J. Erwin, Mittie Haynes; also Misses Susie Jackson, Selene Parker, Dorothy Cunningham, Katharine Halyburton, Gretchin Baldwin, Julia Pasmore, Della Shore, Duck Mebane, and Messrs. Lacy McLean and Melvin Means.

"On the Drive"

Off To Classes And Study . . . Davidson

On the drive . . . the students this school year have for the most part just returned from another duty where college schedules would seem foreign. A splendid record has been made by those men in the service, and there has been an obvious sign in the work of these men that the splendid record is continuing here. There was very little need for reconversion, as had been anticipated, since, in general, the students have been "in the groove." The return of so many of the members of pre-war classes has introduced an interesting range of ages—from the teens into the thirties. Burning midnight oil, men and boys alike are made aware that Davidson's standards in scholarship are hard to meet. There is not any sugar-coating for courses, but neither are there bitter pills, unless college life was expected to be a vacation period. This does not happen to be the case at Davidson as every student finds out. With the difficulty and exactness of the work, there is the pride and satisfaction of having been urged to do the

Students Work Toward A Vocation

best. Not satisfied with a weak, disjointed training, Davidson offers work that cannot be denied its place, high in the list of America's best institutions. Life on the campus is centered around the class and study buildings where a sizeable part of the day is spent. But this work time is not out of proportion because Davidson believes in other activities as well. Knowing that the liberal arts college is designed for the college man as a whole, Davidson tries to maintain a balance of extra-curricular and social life that is stimulating, as well as to stand firm for high standards of work. An increase in faculty ranks has met the influx of students which have reached an all-time high for the college. Some see the student body, as it is now in its swelled condition; others look for the future student body in a smaller size. Whatever the problem may be, the present has shown that Davidson is able to accept army training programs, sparse days of few students, and enrollments of over 900, all in the best tradition.

"Things We Remember"

After Work . . . Extra-curricular Davidson . .

For your information and pleasure . . . along with the regular schedule of classes that are the formal part to education on the campus, there are the many clubs and societies which bear out in a practical way what is learned in class. Here is a pleasant way to spend time in a field of interest that cannot be satisfied during the regular class hour. In a regulated group, mutually interested in the same undertaking, there is ample opportunity to fill out the college plan in a pursuit of interesting subjects. Since the participation in any group is kept at a mobile number, there is a good chance to air your own opinions and hear what the other fellow has to say, informally. The mightiest in number this year is the International Relations Club; the most active are the Y. M. C. A., the various publications, the Red and Black Masquers, and the music clubs.

Honorary Societies and Organizations

All Organizations play a vital part in rounding out the life of the college, and are diversified enough to encompass almost every particular interest. Much of the concrete worth that comes to the student can be attributed to the various honorary societies and organizations because in these are made many of the worthwhile traditions on the campus. Actually, the personality of the campus has in many respects come from this extra-curricular activity. That the many clubs play a very important part in the building of leadership and ability there is no doubt. During the war, most of the clubs were inactive and it has fallen to the students this year to reactivate most of these organizations. There have been some slow starts, but the handicap of beginning anew has been responsible for this. Altogether, things have begun to shape up once more so that there is renewed interest in the affairs that were considered important before the war.

Student Government

The Student Council is charged with the enforcement of the Davidson honor system. The Council is composed of fourteen members. Serving automatically in the group are the President, first and second Vice-Presidents, and the Secretary-Treasurer of the Student Body, and the Presidents of the three upper classes. The remainder of the Council is made up of four men elected by the senior class, two by the junior class, and one by the sophomore class.

In addition the Student Council supervises the Court of Control and takes action in any very serious matter concerning the discipline of Freshmen.

THE STUDENT COUNCIL

Y. M. C. A.

The Davidson Y. M. C. A. is primarily a religious and social organization. Very ably led this year by Murphy Williams as General Secretary and Jim Jackson as President, the "Y" played a very important role in both college and community life.

There are fourteen different departments in the Y. M. C. A., and the leaders of each of these departments make up the cabinet.

The work of the "Y" is divided up into these heads: world evangelism, Sunday schools, spiritual development, chapel services, deputations, freshman work, boys' work, publications, community service, Student Government representative, vespers and church relations, spiritual development, and social life.

The policies of the Y. M. C. A. are set by the Board of Control. This body is made up of the President, the General Secretary, and other student members elected by the Student Body.

Second row: Paige Jackson, Hugh McArn.*

OFFICERS

Johnny McAlister, Judge
George Ennett, Recorder

The Court of Control has been one of the foremost influences in guiding the Freshmen through their first year at Davidson. Many of them have had experiences with the Court which will cause them to look back with pleasure in their later years, even though at the time they may have been vitriolic in their condemnation of it. Judge Johnny McAlister and his associates have been a great benefit to the Frosh of this year—getting them oriented in the surroundings and traditions of the college. It has been their duty to try all violators of the Freshman regulations and Davidson traditions, and any freshman charged by an upperclassman with misconduct. Although the Court is often thought of as a court of punishment, its primary purpose is not to convict, but to administer justice. And it can be little denied by anyone that the violators have been meted a superior brand of justice by impartial judges.

Red and Black Masquers

The theatrical side of Davidson life has been greatly advanced through the past year by the Red and Black Masquers. The members of this organization have given their time to the presenting of performances which have increased the enjoyment of the student body in seeking relaxation from their studies.

The actors and members of the stage crew have all been student volunteers except in the case of female roles which have been filled by local girls and co-eds. Since Davidson does not have a dramatics department, Professor Erwin has volunteered his assistance as adviser to the group, which has excelled this year through his aid, and through the directorship of Middy Raynal, one of the veterans of the Davidson stage. The job of stage manager has been faithfully performed by Jimmy Gribben.

The history of the Red and Black Masquers can be traced back to the school year 1920-21, when Professor Erwin joined the Davidson faculty and assumed his volunteer duties as adviser, a position he has held since that time. The first production of the Masquers was a minstrel show which was received by the students with much enthusiasm, as it broke a ten year period of dramatic inactivity on the campus. Since then the group has had its ups and downs, producing from one to four plays a year, except during the recent war years. For its production of *Mr. and Mrs. North* during the fall semester the Masquers are to be congratulated.

Philanthropic

Literary Society

The Philanthropic Literary Society, founded late in 1837, has the distinction of being the oldest literary society in continuous existence on the Davidson campus.

This organization was brought into being by a group of Davidson students who had as their aim the production of men more capable in the art of speaking and debating; and also in the acquiring of a spirit of subordination among the Society's members.

The society has many interesting programs consisting of debates and orations, and has sponsored a few open forums. This year discussions have centered mainly on items of current interest.

Eumanean

Literary Society

Having been founded in 1837, the Eumanean Literary Society is the oldest literary organization at Davidson College. This society prides itself in its well kept traditions and the many notable men who were once members, one of whom was Woodrow Wilson.

This group was founded by a few students of Davidson and will be found in no other institution. At first membership was allowed only to North Carolina students, but this restriction was soon lifted.

The aim of this organization, in addition to trying to develop clear thinking and writing, is to make forceful and effective speakers and to create an appreciation of good literature.

During the years of the war this society was practically extinct, but it has begun this year an all out effort to attain its rightful place among Davidson societies.

Forensic Council

The Forensic Council is the debating team. This team was picked by a faculty committee, headed by Dr. Frontis Johnston, from those of the student body competing for positions in the fall tryout. The team is made up of two groups, each with two men debating the affirmative and two debating the negative. The first group debated the teams of Wofford, Lenoir-Rhyne, Winthrop, Emory, and Mercer. The other group debated Emory and Mercer. This year the question debated was "Resolved, that labor should be given a direct share in the management of industry."

International Relations Club

The International Relations Club is another of the many societies on the Davidson campus contributing to student leadership and furnishing extra-curricular interests and opportunities for the students. The specific purpose of the I. R. C. is the promotion of interest in, and discussion of, international relations and world problems among the students, and to provide strong leadership for political thinking on the campus. The local club at Davidson is one of a large number of clubs on college campuses throughout the country which are sponsored by the Carnegie Endowment for International Peace. The Davidson I. R. C. meets twice monthly, inviting members of the faculty or student body to speak on subjects of world interest, and holding informal discussions on the issues chosen. In previous years membership in the club has been by invitation, but this year, because of the greatly enlarged student body, the club has extended membership to all students interested in international questions.

The Quips and Cranks *of 1947*

EDITORIAL STAFF

QUIPS AND CRANKS, the year-book of the Senior class of Davidson, was first published on this campus in 1895. Since then it has been published annually with interruptions only during the two war periods. It is headed by an editor and a business manager, who are ably assisted by an editorial and a business staff, each of which is chosen from the three under-classes.

In this particular issue we offer a pictorial presentation of the year's activities, with sections devoted to the administration, the classes, activities, athletics, and fraternities. By means of formal photographs, informal snapshots, and short articles, we have tried to illustrate a year at Davidson, hoping that through this book fond memories will be preserved for a lifetime.

THE STAFF AT WORK

Davidsonian

Returning to weekly publication for the first time since 1943, *The Davidsonian* has resumed its prominent position in campus life once again. The college weekly newspaper goes to press each Monday night in its office on Elm Row and appears on the following Friday afternoon.

Headed by an editor and business manager chosen each spring from the rising Senior class by the student body, the organization is staffed with members of the three lower classes. Twelve juniors, six of whom are managing editors in the editorial division, and six who manage the various business departments, shoulder much of the responsibility of the publication. Reporters are selected from the Freshman and Sophomore classes.

The Davidsonian was founded by the class of 1915 and holds membership in the Associated Collegiate Press. Only once in its thirty-two years of existence has the paper received an honor rating below that of first class.

Striving to promote better conditions on the campus, presenting student views on current problems, and making a determined effort to enhance student-faculty relations, *The Davidsonian* lives up to her motto, "For a Better Davidson."

Scripts 'n Pranks

EDITORIAL STAFF

In order that the budding young scribes in Davidson will not spend all their exuberance on the athletic field, in class rooms, or elsewhere, *Scripts 'n Pranks*, the College humor magazine, is published four times a year. Due to the interruption made by the war, the magazine had a late start, but managed to appear in December, February, April, and May.

Under the able editorship of Doug Swink and the efficient managership of Jim Love, the *Scripts 'n Pranks* of this year obtained the approval of the majority of the students. Its circulation reached an all time high of 1,300 copies per issue.

The editor of the magazine, who is elected by the student body, chooses the editorial staff. Orin Whitaker assumed the title of art editor, and Jimmy Gribben, Jerry Leland, and Cameron Nuttall served as managing editors. The business manager is picked by the Publications Board, and he in turn chooses the business staff.

In order to keep pace with the times, Editor Swink strove to get new ideas, points of interest, and views on topics of daily conversations. One of the most striking, and certainly the most noteworthy of these, was his contest for the girl who had the prettiest legs on Davidson's campus.

Phi Mu Alpha

Phi Mu Alpha's Gamma Chapter is the national honorary music fraternity on the Davidson campus. The purpose of the fraternity is to "advance the cause of music in America, to foster the mutual welfare and brotherhood of students of music, to develop the truest fraternal spirit among its members, and to encourage loyalty to the Alma Mater." Active membership may be conferred upon anyone who shows his love for music either by adopting music as his profession, or who works to advance the cause of music in America.

Glee Club

The Glee Club is composed of some forty men who are chosen by tryouts in the fall. The group, under the direction of Mr. Earl Berg, during 1946-1947 has had one of its most successful years. Aside from rendering their services at the Sunday evening vespers, the Glee Club has given programs in

Concord, Kannapolis, and also one here at the college. The most outstanding programs, however, were those given on a Northern tour taken in April. This included concerts in New York, Philadelphia, Richmond, and a coast-to-coast radio broadcast over the Columbia Broadcasting System.

EARL F. BERG
Director

VERNON B. MCGHEE
President

Football Band

The football band, composed of about sixty members, besides playing for all the home games, followed the team on two trips. At N. C. State in Raleigh they drew much praise and attention with their marching and musical excellence. Drum Major Bob Walker led them in an equally impressive

performance at Furman University in Greenville, S. C.

Included in the varied exhibitions of the band were the sparkler display used at the night games and the bubble scene enacted during the latter part of the season. To Professor Pfohl goes the credit for the band's splendor and perfection.

SYMPHONIC BAND

MUSIC at Davidson

SYMPHONIC BAND

The Davidson College Symphonic Band, under the guidance of Prof. James Christian Pfohl, has grown in size and prestige until it today occupies a position of one of the best in the South. This year the band, containing forty-five musicians, opened with a concert on the Davidson campus on November 15. A very successful Southern tour was completed in February, during which the band gave concerts in Florence, Waycross, Ga., Thomasville, Ga., Atlanta, and Newton, N. C. The Spring concert was given in Chambers Auditorium on March 21, and the band completed its 1946-47 season by giving a concert at the May Day celebration of Converse College on May 3.

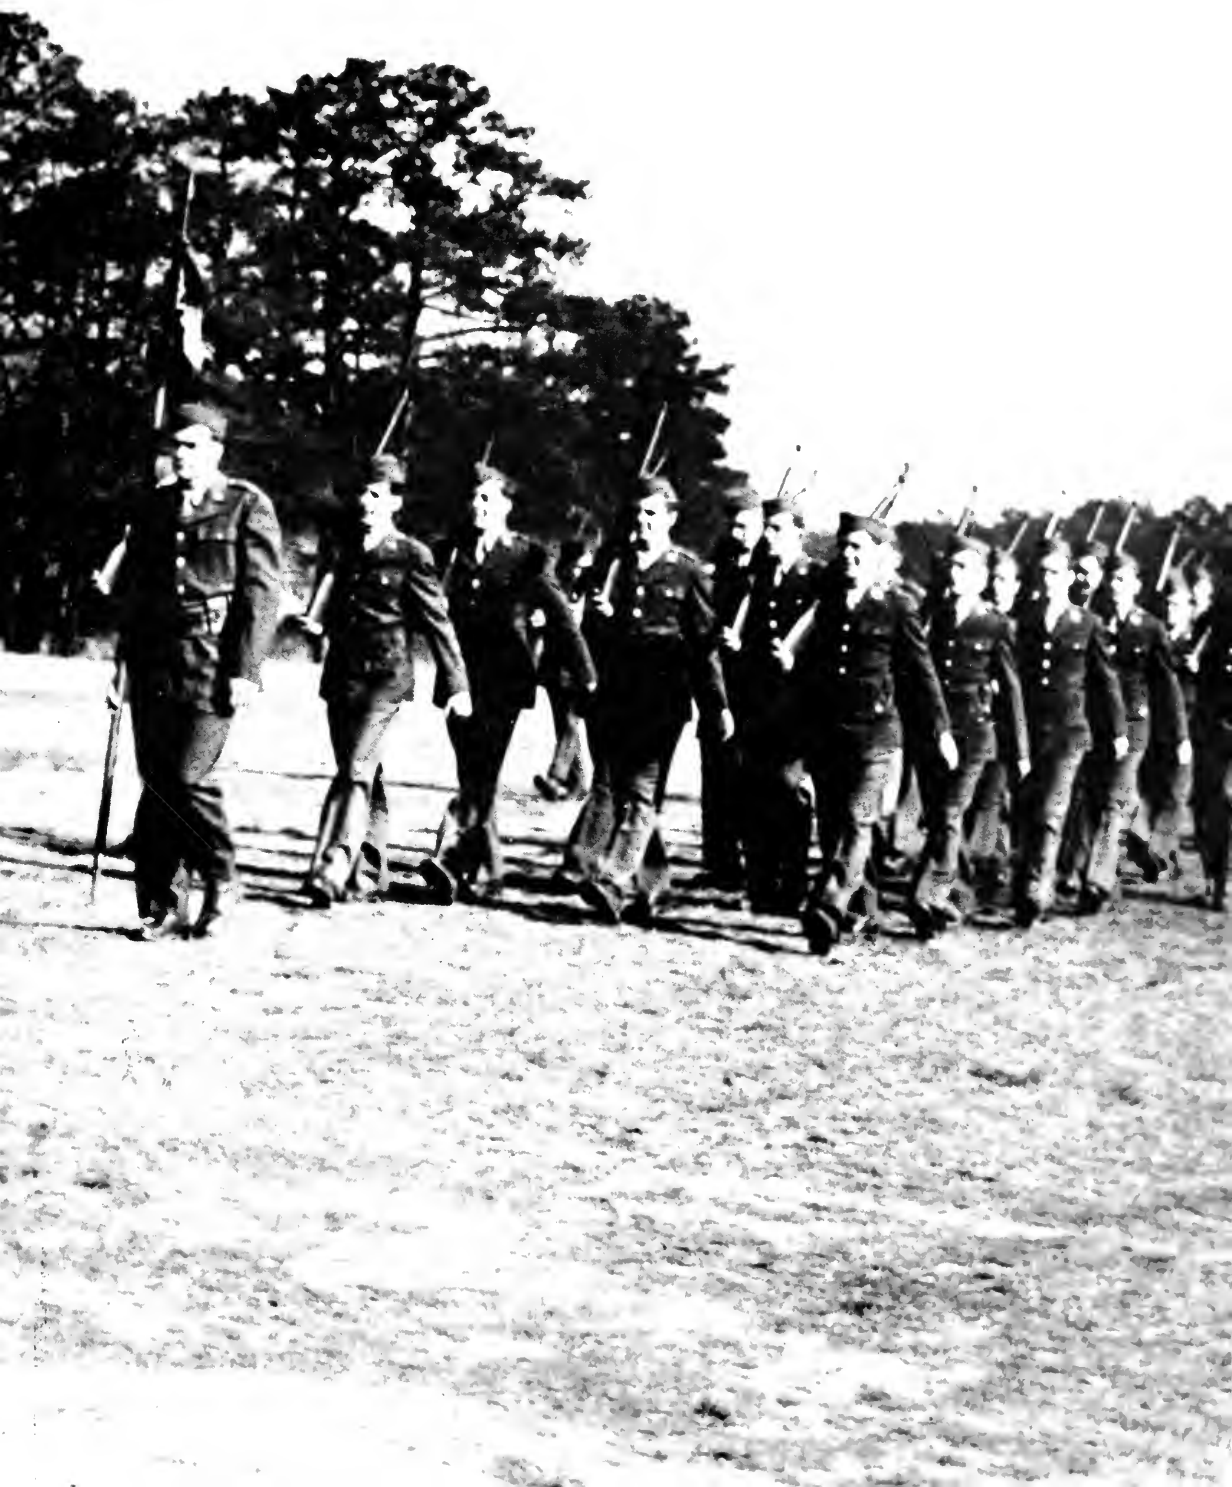

LITTLE SYMPHONY ORCHESTRA

During the war years, it was impossible to continue the work of the Davidson Little Symphony Orchestra. This year with the aid of faculty members and students from Queens, the work of the organization has been resumed. It is composed of the best orchestral material available in both of the colleges. It has appeared as an accompanying group in "The Messiah" and the "Pirates of Penzance" performances, and has played for the annual Christmas Vesper Service. During the fall a trip was made to Banner Elk for a concert at Lees-McRae College. Two full concerts were given during the spring semester.

THE BATTALION

Rifle Team

Coached by 1st Sgt. Blanton R. Burton and managed by Capt. Harold M. Kennedy, the Wildcat Rifle team "bull's-eyed" it through another impressive season. The team was built around a strong nucleus of returning lettermen from the 1945 team: P. P. Deaton, S. D. McDaniel, L. V. Long, and C. M. Coffey. New members winning a place on the team were as follows: P. M. Brown, A. M. Rankin, C. K. Maxwell, H. L. Glaze, T. E. Craver, R. B. Covington, W. W. Weather, and G. L. Lowe.

In six shoulder to shoulder matches, this year's team split two matches with Oak Ridge Military Institute and two matches with the Charlotte Rifle and Pistol Club. A single match with Clemson was won, while dropping one to The Citadel. In its correspondence matches the team won from Clemson, Citadel, Wofford, Presbyterian, Pittsburgh, and Hawaii, and lost only to Oregon State and Washington University. The records show that the team placed fourth in the William Randolph Hearst Trophy Match, and eighth in the Third Army Area Intercollegiate matches.

The outlook for next year is very bright, since all of this year's team is expected back. The 'Cats have good hopes of bringing the Hearst Trophy, which they lost in 1944, back to Davidson next year.

Top individual honors go to P. M. Brown, C. M. Coffey, P. P. Deaton, and L. V. Long, who were the consistent point winners for the year.

Miss Margaret Ann Donald, Sponsor

CARL PAHL, Battalion Commander

"On the Field"

To Doc:

These words come not from one man's pen, but from the hearts of hundreds of athletes who have been to Davidson, and we gratefully dedicate this section to Doc White, a man loved and respected by everyone who has known him.

To be too busy to help a limping Wildeat is unthought of for Doc, and yet to see him when he isn't busy is impossible. It's not for one sport or for one week, but for all sports the year round. He's there at the crack of dawn each day, and he's the last to leave in the evening. No job is too much for Doc; he's sewn jerseys, shoulder pads, and tights, and he's used miles of tape doing his bit to keep that red and black machine rolling. All boys are his boys, and whether they're the stars or the subs he's always got a smile and a kind word to say. There never was a person at Davidson who had more of that fighting Wildeat spirit than Doc, and it's a common sight to see him pacing the sidelines laden with more worries than it seems possible when things aren't going right. He's as gentle as a mother when you're hurt, and he's got a heavy foot for any loafer. That unknown quality that has made Davidson athletics stand high today, that's Doc White. For all these things and for many more that can never be written we want to extend a united and heartfelt word of thanks, and say we're fortunate that we can say, "Our Doc White."

The Davidson

Out of the seed that was planted last winter when Davidson brought Coach Bill Story from Norfolk to lead the Wildcats, grew the team that showed excellent form this year.

When Coach Story unveiled his fighting Wildcats of 1946, they showed every promise of living up to the spirit of previous years. This was the first football team since 1943, and although they were packed with power and talent, they were inexperienced at working as a team.

Davidson chalked up four victories to five defeats this season, but took many honors in other departments.

After her first two games Davidson led the nation in four departments—total offense, total defense, rushing offense, and rushing defense. Even after bowing to the powerful N. C. State team, Davidson still led the nation in total defense with a record of having held three opponents to an average of 71.7 yards both rushing and passing, and continued to stand in this place through five games.

At the close of the season, Davidson found its name once again in the national limelight, for the greatest yardage both on the ground and in the air by one team in a single game was the 677 yard total compiled by the 'Cats against Erskine. The Wildcats also placed fourth in the nation in total defense.

Davidson is looking forward to a victorious 1947 season, for they will not only have power but experience, and will undoubtedly be able to hold their own in the Southern Conference schedule.

Davidson College can truthfully yell, "Hey, 'Cats! Here's a hand!"

Wildcats . . . 1946

DAVIDSON 74

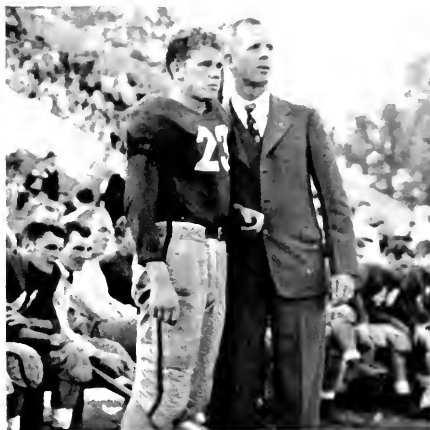

ERSKINE 0

A talent-packed but inexperienced Davidson College football team took the field in their first non-conference game with the impotent Erskine eleven.

The Cats opened up early and had amassed 27 points by the time the first quarter ended. The reserves took over at that point and the attack tapered off to 13 points in the second period. The Wildcats came back strong after the half to score a total of 34 points.

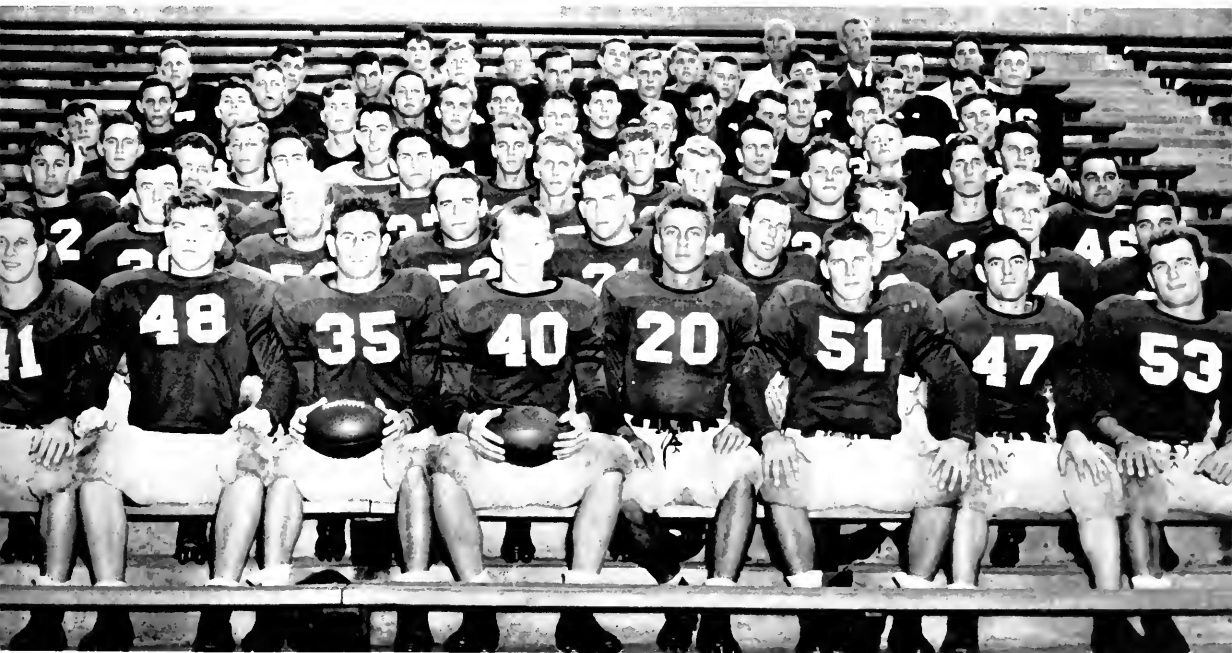

From the beginning of the game until the end, Erskine never stood a chance against the fighting Cats, and only managed to sneak over one first down and a total of 47 yards rushing and passing.

Davidson used practically every man on the squad at one time or another during the game, and all played a "bang up" brand of football. Davidson's blocking was sharp and the execution of plays was neat. The Cats' eleven touchdowns were made by eleven different players. Dick O'Hair and "Easy" Rhodes starred on the defense in the strong forward wall, and the long runs of Carl Sheppard. Jake Wade, Doug Rice, and Bill Austin added thrills to the Cats' opening game.

Coach Story gives last minute instructions

THE SQUAD

DAVIDSON 54 — WOFFORD 0

AUSTIN ON A REVERSE

Although slowed down by getting every penalty in the book, Davidson's Wildcats still packed the necessary power to rip through a stubborn Wofford eleven at the Memorial Stadium in Charlotte.

Davidson scored the first time they got the ball, when Erwin took the ball on a reverse and ran it 23 yards for a touchdown. Penalties cost Davidson two touchdowns in the first period, after Junie Guy had made two long runs.

A pass from Sheppard to O'Hair was good for another touchdown. The next two tallies by the Cats were the result of the long passes and good running of Dick O'Hair.

After a bad kick by Wofford, Davidson's Carl Sheppard bounced off tackle for 26 yards and another score.

In the fourth period the 'Cats scored 28 points with Carl Sheppard, Bert Anderton, and J. D. Ashmore leading the way to show the stands that Davidson was rolling again.

JOHNNY WALKER, Guard

RED BETHIA, Back

DAVIDSON 0

N. C. STATE 25

After two inspiring games, Davidson's high-spirited Wildcats journeyed to Raleigh to meet their old rival, North Carolina State. State, under the expert coaching of Beatie Feathers, had defeated two strong teams, Duke and Clemson, and was rated among the top teams of the South.

The Cats held the Wolfpack to a scoreless first half by playing magnificent football which sent thrills up the spines of the Davidson rooters and chills up the spines of the N. C. State students. Red Bethea and Leslie Palmer swapped punts, and neither team was able to gain in the first period.

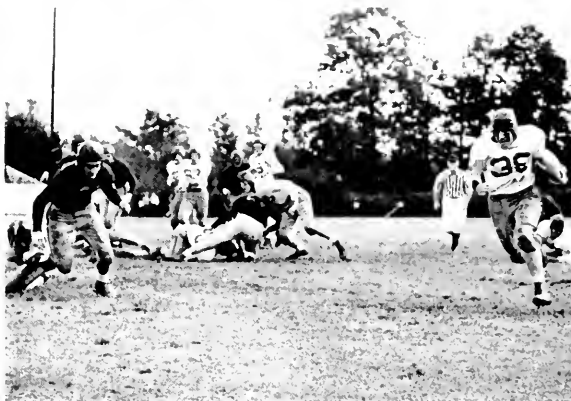

As the second quarter drew to a close, Davidson got its first chance to score when the Cats hauled the ball to the State 13. However, State dug in and held. Later Gene Bingham, Davidson center, intercepted Turner's pass and raced it back to the Wolfpack 19 yard line. Anderton passed to O'Hair for 9 more yards. By this time the stands were in a frenzy of excitement, but the half time gun caught the Cats before they could cross the line.

In the second half, Gwynn Fletcher, the former Davidson tailback, led the Wolfpack to victory with a series of powerful runs.

Davidson fans will be talking for a long time about the men who held the Wolfpack to a scoreless first half. Among those receiving praise will be linemen Dick O'Hair, Buddy Chandler, "Easy" Rhodes, Johnny Walker, Pat Williams, and Gene Bingham, and backs Carl Sheppard, Mac Erwin, and Red Bethea.

DAVIDSON 0 V. M. I. 25

Angry over their first defeat, Davidson's Wildcats journeyed to Lexington to meet the heavy line and strong running power of V. M. I. The 'Cats were heavily weakened in the end department, due to Dick O'Hair knee injury and Hal Mape's ineligibility for off-campus games.

V. M. I. took advantage of the Cats' inexperience by covering Davidson's fumbles and making these pay off with touchdowns. The Keydets did most of their scoring early, crossing the goal three times in the first half. With the score 18 to 0 against them, the Wildcats played the Keydets ragged in the third period, but were unable to score. V. M. I. took it over for the final touchdown in the fourth period.

Davidson gained 122 yards rushing to V. M. I.'s 158, and backs Bert Anderton and Carl Sheppard rang up 11 first downs to six for the Keydets.

HAL MAPES GOES OVER

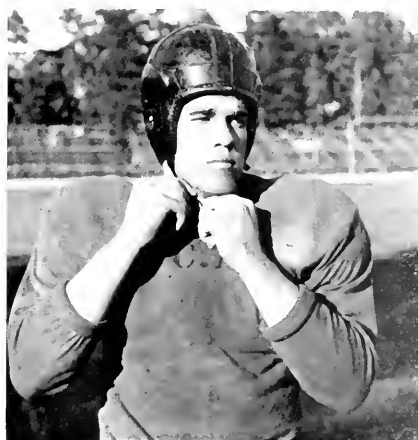

BUDDY CHERK, *End*

DAVIDSON 6 RICHMOND 27

Davidson met a hard-running crew of Richmond backs who brewed a pot of "T" which was just a little too much for the Cats. However the game was exciting and served as a good "teacher" for the inexperienced Wildcats. Richmond, with only one loss to Duke to mar their record, was considered the number 1 team in Virginia at that time.

Davidson missed scoring early in the game when they marched from their own 30 to the Richmond 20, with Mac Erwin, Carl Sheppard, and Jim Sifford doing some excellent work and then had their touchdown pass intercepted on the Spider 6 yard line.

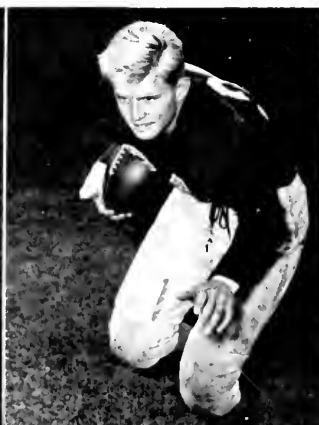

In the fourth period, the Cats worked the ball to the 20 again, only to have their passing attack bog down again. By this time the Wildcats were hungry for a score, and they drove 49 yards to pay dirt the next time they got their hands on the ball. Adams and Erwin were the men responsible for this drive, with Rice splitting tackle to tally. Phillips kick was blocked and the game ended.

JIM SIFFORD, *Back*

Davidson 40 Hampden-Sydney 0

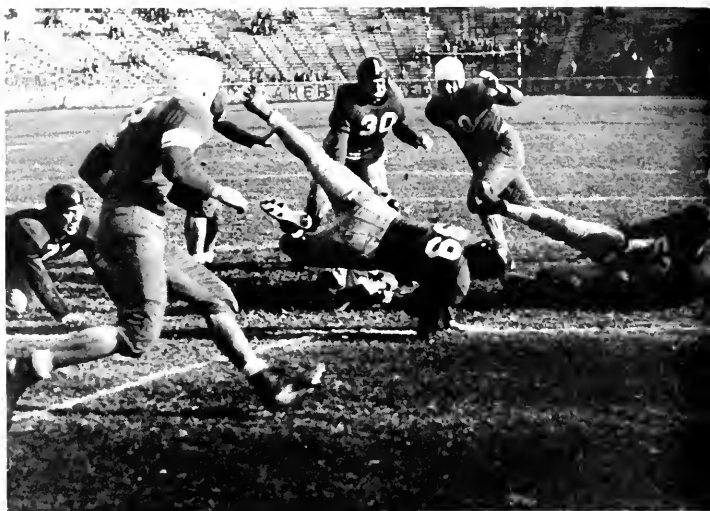

JIM SIFFORD TAKLES

Buddy Whitesides, Tackle

Doug Rice, Back

Davidson's Wildcats employed four full teams to crush the Hampden-Sydney Tigers 40 to 0, before a crowd of 5,000 persons.

Starting their onslaught in the opening period, Davidson's Hal Mapes scored a touchdown on an end-around dash. Soon after this the stands began to take notice of this end, for Mapes caught Sheppard's pass and ran over for his second touchdown.

Clyde Hooker, freshman star, came up with the next touchdown by piling through center. Mapes kicked his eighth straight conversion and the score stood 21 to 0 at halftime.

Color was added during the half by 18 visiting bands which marched around the stadium giving much enjoyment to all the fans.

Carl Pahl, former Yale back, started the Cats rolling again when he plowed through center for another touchdown. This was followed by two more quick scores by Junie Guy and Bert Anderton.

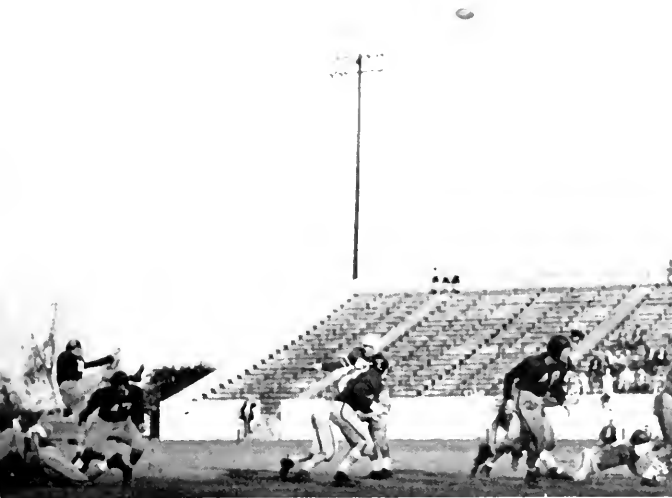

Honors in this game go to Hal Mapes and Pat Williams, two really great Davidson ends.

Hugh McArn, Guard

BILL BOYD, Guard

HAL MAPES, End

BUDDY CHANDLER, Guard

RED WILSON, Guard

A great passing combination of quarterback Dick Working to halfback Charlie Harrington led the Washington and Lee Generals to a 25 to 6 win over the Wildcats on Davidson's Homecoming Day. In spite of heavy rain, W. & L.'s passing attack verified all the reports and just could not be stopped.

The Cat line showed its strength early in the game, when, led by Johnny Walker and Bob Strickland, they held the Generals on the one yard line for four successive running plays.

By the time the fourth period rolled around Davidson was fighting mad and they loosed some of their best attempts of the afternoon to score. Carl Pahl bulldozed his way to the 48 from his own 30. Jim Sifford added 8 more yards on a reverse, and Pahl followed through with a 25 yard dash to the General 30. Carl Sheppard's pass to Jim Sifford was good for 30 yards and a touchdown. Hal Mapes' try for the point was blocked and the game ended before the Cats could tally again.

DAVIDSON 13 CITADEL 21

BRONCO BAILEY, Center

SHEPPARD OFF TACKLE

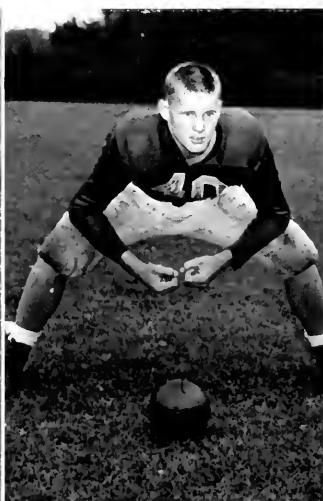

Two well matched teams, spurred on by a desire to win their first conference game of the season met in Memorial Stadium in Charlotte when the Cats tangled with Citadel. The game was full of thrills from the beginning to the end, though Davidson led the Bulldogs in every department except touch-downs.

The peak of the excitement was reached when Luther Dunfee, a Citadel back, took the kickoff on his own 8 yard stripe, dashed through a hole in the Davidson defense, and raced 92 yards to score.

Davidson fans thought the same play was to be returned when Carl Sheppard of the Cats returned the kickoff 60 yards from his own seven yard line. But the Wildcats were stopped on the Citadel 14 and they failed to make good their threat. However, a few plays later Davidson clawed their way back down the field, and Jim Sifford completed a pass into the end zone to Buddy Check to make the score 14 to 13 in favor of Citadel. The Bulldogs clinched the game in the last few minutes when they recovered a fumble and drove over for a touch-down.

BILL JOHNSON, End

JOHNNY RICHARD, Center

GENE ESKEY, Back

DAVIDSON 13 FURMAN 7

JAKE WADE, *Back*

In their last game of the season, the Wildcats scored a convincing 13 to 7 victory over Furman in the Thanksgiving day clash at Greenville.

Led by Mac Erwin, who returned to his home town to lead the Cats to victory, Davidson played alert ball and turned back the favored Furman team to score their first conference victory.

Early in the first period, Erwin intercepted a pass on the 28 and ran it back to the Hurricane 16. The Cats then moved to the five on a pass from Sifford to Sheppard, and from that point Sifford drove over left tackle for the score. Chandler's attempted conversion was no good.

In the third quarter, after battering the ball down the field, Carl Pahl smashed over for the second touchdown.

Furman's Trubuck engineered a desperate Hurricane drive to the Cat 30 yard stripe, but alert Bert Anderton batted down his pass in the end zone to insure a Wildcat victory.

BASKETBALL Season

With the return of ten lettermen, Davidson's Wildcats looked ready to attack their Southern Conference foes. Among those returning were Ed White, who was second high-scorer in the Southern Conference during the 1945-46 season, and George Peters, who partnered with his brother Tommy in the very successful 1942-43 season. We feel we should state here that Tommy Peters' name would head our list of all-time great basketball players had not the war cut short his life. Pat Williams, also a member of the '42-'43 squad, was back, coupled with his younger brother Mike, Freeman Jones and J. D. Ashmore regained their old spots on the Wildcat team. The 'Cats were also strengthened by some talented newcomers. Among these were Buddy Cheek, a transfer from Tulane, Whit Cobb, Malcolm Earp, Bob Flowers, and Bill Iverson.

Davidson started off with six impressive games, but seemed to lose some of their steam as they went down against the hard-fighting and experienced teams of Duke and North Carolina State. But these losses gave the 'Cats experience, and in their next eleven games they won seven and dropped four.

As the season drew to a close and the records of the conference teams were studied, it became the general opinion that Davidson must triumph over the highly favored North Carolina University Phantoms, in order to

BOB SMOAK, Manager

PAT WILLIAMS, Guard

ED WHITE, Forward

BUDDY CHEEK, Center

MALCOLM EARP, Center

ED WHITE TAKES A REBOUND

CENTER JUMP

With The

gain a seat in the Southern Conference Tournament. With the shadow of its near victory in the '43 tournament still spread over the hearts of every student, the 'Cats took to the floor in the Charlotte Armory, prepared not only to give U. N. C. a fight for their money but to gain a much sought after berth in the tourney. Led by Scrappy Buddy Check, Ed White, and George Peters, Davidson stood only two points behind the Phantoms at the half-time gun. In the final minutes of the game, Davidson, still fighting bitterly, watched their dreams go up in smoke as "Hook" Dillon hooked in the winning buckets. The final score stood Davidson 38—U. N. C. 45.

The Cats did not let this smarting loss remain very long on their minds, for in the next few weeks they fought their way over their remaining five opponents. Although the Wildcats did not amass a record to equal that of the '42-'43 team, they still showed great promise of becoming a great team. During the year each man and the team as a whole gathered experience which will enable them to move to victory in future years. Watch for the 1948 Fighting Wildcats.

THE SQUAD

BASEBALL

With the arrival of spring, Richardson Field once more resounded the sound of bat and ball . . . baseball was here!

To the field, at Coach Charlie Jamerson's request, came returning lettermen "Red" Bethea, "Pop" Bowman, Buddy Chandler, and John Ellis. With these men as the nucleus and a number of

"RED" BETHEA, First Base

NORMAN WHITEHEART, Pitcher

CHARLES D. JAMERSON
Head Baseball Coach

QUENTIN COOPER AND DAVE BLIVINS
Baseball Managers

promising newcomers to build on, the Coach started practice. It was found that our pitching, our weakest department in past years, was greatly improved by the addition of Charlton Torrence, Norm Whiteheart, Gregg Thompson, Jim Briggs, Frank Gault, "Lefty Hunter, Joe Warner, and others fighting it out for starting honors. Behind the plate were Buddy Chandler, Red Williams, Skeets Howard, and Don Erb. On first base were Red Bethea, John Ellis, Malcolm Earp, and Walker Taylor. Second base position was filled by Jimmy French, Jake Wade, Dave Shepperson, and Bill Byrd. At shortstop, one of the most important

JAKE WADE, Second Base

FOR THE CIRCUIT

positions on the field, were Charlie Pearson, Doug Rice, and Bert Anderton. On third base Junie Guy and Charlie Rymer were leading candidates. In the outfield were "Pop" Bowman, Jack Burris, Hal Mapes, Carl Sheppard, Mac Erwin, and Herb Dalton.

After weeks of heavy practice, the Wildcats took to the field against Duke's Blue Devils in the Southern Conference opener. Although Davidson

WILDCAT Nine

played a tough game, the hard hitting Blue Devils managed to squeeze out a 13-7 victory. A note of credit goes to Jack Burris, who hit a homer in the 4th inning, and to Carl Sheppard for his spectacular running catch in left field.

The Wildcats will play twenty-five games this season, and the schedule will take in such schools as Duke, North Carolina State, University of North Carolina, University of Cincinnati, Furman, Washington and Lee, V. M. I., Maryland, and George Washington. Although they probably will not come out undefeated, it's a sure bet that they will be fighting with the Wildcat spirit. Coach Jamerson summed it up, in his soft, easygoing manner when he said, "We'll win some, lose some, and have some rained out." Good luck, 'Cats!

Davidson's

All anyone has to do is to talk to Coach Pete Whittle or go down to the cinder loop and see for themselves to find that Davidson's prospects on the track look pretty good.

Although the 'Cats are a little lacking in the dashes and the weights, they make up for it in the other departments. In the hurdles will be found last year's point-getters Bob Lacy, Ed Hopper, and George Peters, and returning letterman Dick Port. In the quarter-mile, Frank Matthews, returning letterman, will couple with Gene Bingham and Bob McChee. The mile will be ably handled by Castle Koop, who dashed off a 4:43 last year at Iowa State. Bill Iverson and "Gunder" Grey will fill the two mile department. The 'Cats are putting a lot of stock in Grey, due to his undefeated season last year. In the dashes can be found some new faces—Harry Temple, Lee Willingham, and Rhea Adams, along with point man "Monk" Montgomery. The half-mile event will be held down by two of last year's men, Bob Berry and Marion Murray.

CASTLE KOOP AND JACK GREY

DICK PORT AND GEORGE PETERS

ED HOPPER

Cindermen . . . 1947

The high jump will be filled by Bob Lacy, Bill Lacy, and George Peters. Bob Lacy set a new school record last season, and much rests on his shoulders this year in helping lead Davidson to victory. In the pole vault position will be last season's regulars George Peters and Dave Walker, along with Ed White, Pete Brown, and Dick O'Hair. Further out on the field will be seen Lennox Turnbull, Jim Vann, and Easy Rhodes, who will hurl the discus, and Buddy Chandler, Carl Eborn, and Joe Richards, who will be putting the shot. The javelin will be thrown by a couple of Bills—Bill Robertson and Bill Walker.

At the time of writing Davidson has not started their schedule; however, they made a good showing at the Southern Invitational Indoor Games at Chapel Hill. Dick Port came in third in the 70-yard hurdle event not three feet in back of the record breaker, and Bill Lacy placed in the 60-yard dash.

We hope we can watch our cindermen run over Furman, South Carolina, Clemson, N. C. State, Washington and Lee, and Mercer. Good Luck, 'Cats.

MIDDY RAYNAL, Manager

THE 1947 TRACK SQUAD

BILL LUFLE, *Head Tennis Coach*

Tennis

With only one man missing from his undefeated 1946 Davidson team, and with strong support from such newcomers as Bo Roddey, Lenoir and Ted Keesler, Whit Cobb, Mike Williams, Glen Turpin, Bob Palmer, and Alan Fanjoy, Coach Bill Lufler is looking forward to another victorious season. The mainstays of the team will be Buck Archer, Jerry Robinson, and Don Hatch, three returning lettermen from last year. Also returning to aid the team to victory is Clyde Stroup who will again act as manager.

The netters will play a twenty-two match schedule which will include some of the best teams in the country. They are: South Carolina, Furman, Wake Forest, Kalamazoo, Haverford, Yale, Georgia, Georgia Tech, South Carolina, Lehigh, New

CLYDE STROUP, *Tennis Manager*

THE SQUAD

At Davidson . . .

York University, Penn State, Georgetown, Yale, Washington and Lee, North Carolina, and Tennessee.

At the time of this writing, the netmen have chalked up victories over South Carolina and Furman.

Coach Lufler has given us his confidence when he said, "Our schedule is much harder this year and we are meeting some of the nation's best in Georgia Tech, Carolina, Yale, and Kalamazoo. We won't get through undefeated, but we'll have a team that will make every match a scrap." We on the sidelines will be rooting for our netters and knowing that they will do their best to remain undefeated in 1947.

TEDDY KEESLER IN ACTION

BILL LUFLEER VS. FRED PERRY

HOT ACTION ON THE LOCAL COURTS

WRESTLING

THE WILDCAT GRAPPLERS

The Wildcat wrestling squad took to the mats this year with only a skeleton of experienced men. On the list of experienced grapplers were to be found only three lettermen, Dick O'Hair, of the 175 pound class, Clyde Stroup, of the 128 pound class, and Rufus Long, a 136-pounder. However, Coach Charlie Parker was warmly met by a host of enthusiastic rookies, such as Alexander, Moore, Cox, Price, Jung, Harwood, Feserman, and Lawson.

Although Davidson dropped their matches with V. M. I., Duke, North Carolina, Georgia Tech, Appalachian State, Washington and Lee, and North Carolina State, they showed much promise of becoming a winning team in 1948, due to the experience they gained in wrestling with the top teams.

J. M. Jung, a new man to the art of wrestling, became a consistent winner in the 121 pound class, and carried Davidson's name to the finals in the Southern Conference Wrestling Tournament in Lexington, Va.

RUFUS LONG PINS HIS MAN.

GOLF

THE LINKSMEN

This year's Davidson golf team shows promise of being one of the strongest in the College's history. With three matches behind them, the Cat linksmen have beaten Furman $17\frac{1}{2}$ to $9\frac{1}{2}$ and South Carolina 10 to 8 and dropped a tough one to a strong Clemson team by a score of $16\frac{1}{2}$ to $10\frac{1}{2}$. The Davidson golfers are a well rounded team, being equally strong throughout. Members of the team are Tom Bumbarger, Don Bryant, Freeman Jones, Cam Henderson, Bill Medford, Robert Little, and Bill Hodgkin. The Wildeat golf team faces a schedule of 16 matches and two tournaments. All home matches will be played at the Charlotte Country Club.

The Junior Varsity

BASKETBALL

Davidson takes their hats off to the splendid record set by their Junior Varsity Basketball team this year. The Wildkittens, coached by Mel Means, defeated Brevard, Mars Hill, Lees-McRae, Pfeiffer, and Oak Ridge in their initial games and lost only to Belmont Abbey, Oak Ridge, and Mars Hill in their return engagements.

The men who helped spark the team to victory were centers Cal Schmidt, Ed Hopper, Dick Mills, and Bud Aiken; forwards Bo Roddey, Lewis Bingham, Billy Richardson, and Haywood Brinegar; and Guards Eddie Allsopp, Joe Warner, B. F. Maier, and Dave Erwin. Other men on the team were Russ Grier, Henry Neisler, Bob Flowers, Sam Brewer, and Grady Spires.

THE JAYVEE BASKETBALL SQUAD

Wild Kittens

Coached by "Wallace Wade" Sparks, the Jayvees ran through an impressive schedule, defeating five of their six opponents. The Wildkittens defeated Lees-McRae, Belmont Abbey, Barium Springs, P. J. C., and C. C. U. N. C., and lost only to Concord High by one touchdown. The team was composed mostly of freshmen with a few upper classmen mixed in. We are proud of our J. V. team and have high hopes for these men as they take their place on the varsity next year.

The Wildkittens' game against the Charlotte Center of the University of North Carolina was by far the most exciting game played on Richardson Field this year. The scrappy kittens won a see-saw battle with a barrage of three touchdowns in the last quarter. Fred Preyer, playing tackle, saved the day by intercepting a pass and running 35 yards for the winning touchdown.

Outstanding men in the backfield were Cliff Turner, Charlie Rimer, Dave Erwin, and Bud Fowle, who thrilled the stands time and again with their long runs. Impressive men on the strong forward wall were Fred Preyer, Don Watt, Louis Bingham, and Ted Keesler.

KAPPA ALPHA, CHAMPIONS IN FOOTBALL

This Year's

With the struggle for the Interfraternity Cup still going strong, we can do little more than sum up the standings at the present time. The Phi Delt's hold the number one position, having won the track meet and placed second in touch football. In second place and close on their heels are the Phi Gam's, who took first place in basketball and tied for second in football. In third place are the K. A.'s, who copped first place in football. Following them are the Independents, S. A. E.'s, and Kappa Sigs, who all are in the 300 point class.

The Phi Delt's have a fight on their hands to hold their lead and retain the much sought after cup, which is now

THE PHI GAM BASKETBALL CHAMPS

VOLLEYBALL ACTION

INTERFRATERNITY TRACK MEET

Intramural Sports

in their possession. In order to do this they must finish in the upper brackets in both volleyball and softball. It will undoubtedly be a tough struggle, for one win by either the Phi Gams or the K. A.'s will send their hopes crashing to the earth. Here is a resume of the sports already played:

Football—Kappa Alpha

In one of the most bitter fights for the lead ever witnessed, the K. A.'s came out on top, followed by a three way split for second place by the Phi Gams, the Phi Delt's, and the Kappa Sigs.

COBB AND MONTGOMERY RECEIVE
TRACK CUP FROM COACH SLEMPARD

Basketball—Phi Gamma Delta

The Phi Gams came through a victorious season, winning nine games and losing none. Behind them were the Betas with seven wins, and in a two way tie for third place were the Independents and the S. A. L.'s each with six wins.

Track—Phi Delta Theta

Led by their "one man Winner" Whit Cobb, who was awarded the Stroud Interfraternity Track Trophy, the Phi Delt's breezed through the track meet with a total of 36 points. Behind them came the Independents and the Kappa Sigs, who did a little more than breathe on the Phi Delt's neck.

FOOTBALL ACTION

"The Social Side"

Among The Socials . . . Time Out

In the court . . . With a horse-shoe shaped fraternity court, it is easy to symbolize this as standing for good luck. Over among the pines is a very suitable place to meet in chapters with a "good luck" spoken and brotherhood felt. There are now ten fraternities on campus with the beginning this year of the local Delta Kappa fraternity, petitioning Sigma Chi. All of the chapters seem to be going strong with a good amount of spirit and comradeship. When most of the fraternities had closed their doors after 1943 in order to sit out the war, the old court was black and gloomy and mostly deserted. Back again, in 1946, the lights shining from the windows and the various fraternity shields ablaze, the brothers are increasing their ranks and generally carrying on in the fine tradition. The unique arrangement of very attractive houses, grouped together and following the same plan of architecture, has even more appealing factors now that things are awakening on the court.

For Seeking The "Ties That Bind"

All over, there have been paint jobs on the interiors or new furniture and furnishings bought to bring the individual houses up to date. Also in full swing, the Pan-Hell has managed a fine year of dances and other divertissements for everyone's pleasure. The dances have been well attended and the large student body has found things as good as ever when it comes to space and bands. Boarding houses have been scarce this year, but everyone has managed to get fed if not as ideally as it might be. For the time being, some of the fraternities are crowded because of a return of many brothers. This has been taken care of, however, without any discomfort. The fraternities have rallied to the call for a well established intramural sport set up, as before, and will have enjoyed the Interfraternity Sing towards the end of school. This latter has been a festival of past years that was again introduced as an integral part of the Davidson tradition of friendship around the campus.

Pan-Hellenic Council

The Pan-Hellenic Council is composed of nine representatives from the social fraternities on the campus. Embodied in the council is the recognition of the fact that "a strong, properly constituted interfraternity organization is necessary in order to promote such interfraternity relationships and to deal with interfraternity matters."

The council, headed by McChesney H. Jeffries, may be justly proud of its fine record this year. The council's first duties were the supervision of the rushing season which ran from September 17th to September 21st.

The Pan-Hellenic Council is not limited to one field, for it also acts as sponsor for all the dances of the Davidson College student body. The council made its social debut with the Homecoming dances, which were held November first and second in the Charlotte Armory auditorium, with music furnished by the nationally renowned band of Billy Butterfield. The Mid-Winter set, held February seventh and eighth with music by Deane Hudson, was most successful. At present, the student body is eagerly anticipating the annual Spring Frolics which will take place in April.

DOWN

at the

BETA HOUSE

On August 8, 1839, eight earnest students at the University of Miami held the first regular meeting of Beta Theta Pi. In 1858 Phi Chapter was founded on this campus as the first national fraternity at Davidson College. The Civil War killed Phi Chapter as it killed so many other fraternities. However, after the termination of hostilities the chapter was re-established as Phi Alpha when the Mystic Seven Fraternity merged with Beta Theta Pi.

Seeking to follow the three great principles symbolized by its three stars, Beta Theta Pi has expanded until at the present time its chapters number ninety-one in both the United States and Canada.

CALLING

on the

PIKAS

Pi Kappa Alpha, one of the older and larger college fraternities, is the perpetuation of the friendship of six students at the University of Virginia during the college year of 1867-1868. These six founders had fresh in their minds the memories of the Civil War. Their problems were in some measure similar to those of the entire South in its woes of reconstruction. Life at the University at that time was simple and devoid of many of the things now considered collegiate. Friendships were peculiarly warm and ideals were deeply cherished. As one of the founders has stated, "They little imagined the tree that would grow from their planting, but they planted well and deeply in the subsoil of friendship and idealism." After its founding on March 1, 1868, growth was rapid. The mother chapter took the designation Alpha, and chartered Beta in 1869 at Davidson College. From the South, Pi Kappa Alpha spread to the Southwest and Pacific coast. Shortly after the turn of the century, chapters began making their appearance in the East, so that today Pi Kappa Alpha has 80 active chapters distributed through almost every state, with a total membership of over 24,000.

A PEEK

at the

PI KAPPS

Pi Kappa Phi was founded at the College of Charleston on December 10, 1904, by three students. The fraternity was incorporated under the laws of the State of South Carolina in 1907.

From its birth, Pi Kappa Phi has grown steadily and consistently. It is most pronounced in the South but chapters have been established all over the United States.

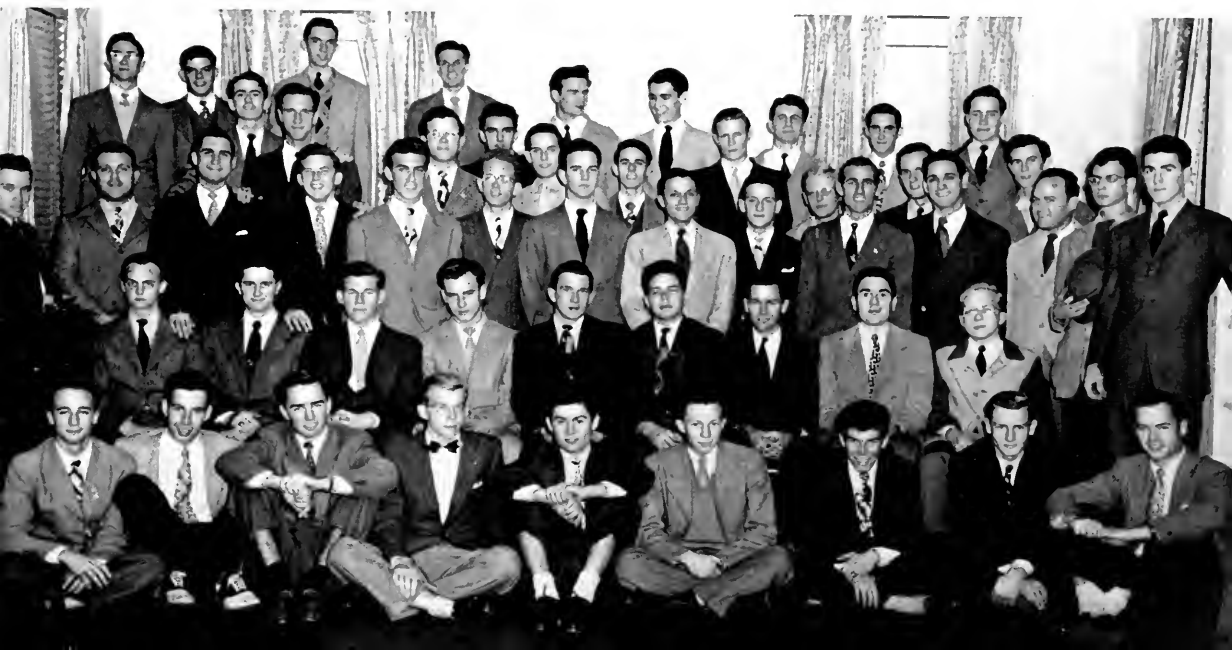

Today Pi Kappa Phi is composed of forty-six undergraduate chapters and twenty-seven chartered alumni groups, with a membership in excess of seven thousand.

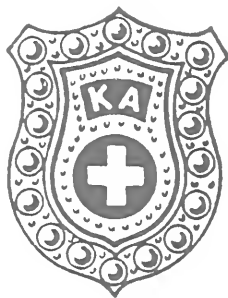

The chapter at Davidson was the first chapter to be established in North Carolina. It was formed in 1912 as Epsilon Chapter. Since its establishment Epsilon has seen over four hundred initiates pass under its colors.

THIS YEAR

with the

K. A.'s

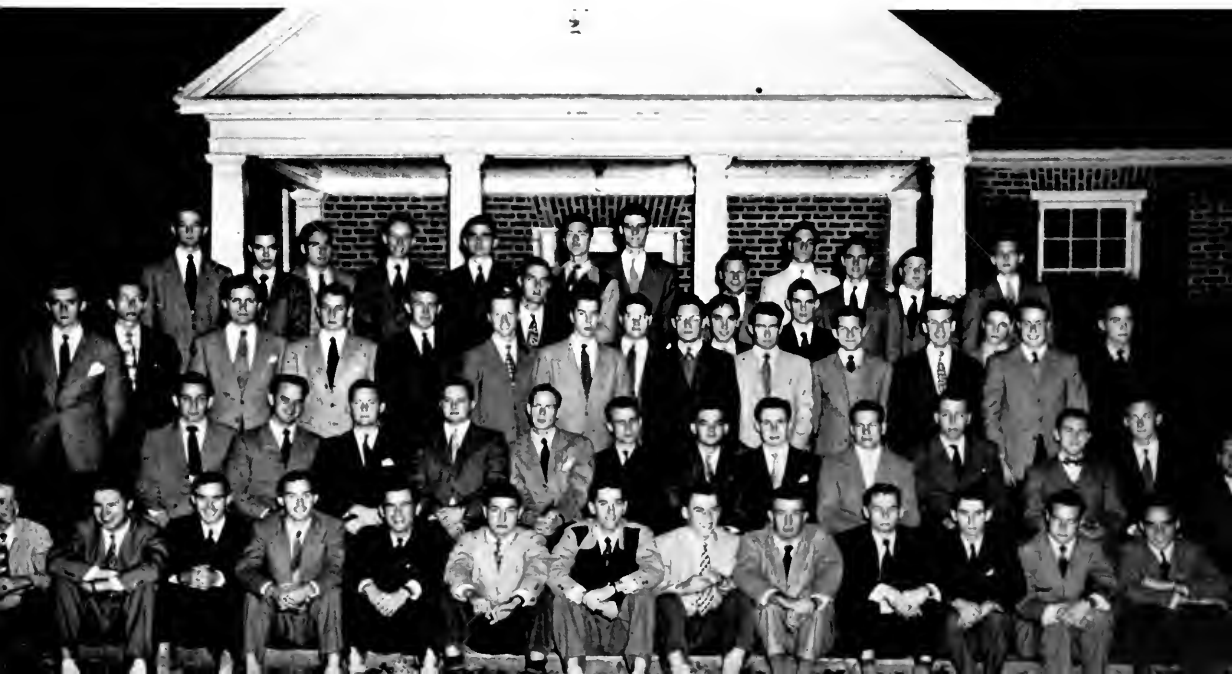

Inspired by the rich and noble traditions and ideals of the Old South, a band of brave and hardy gray-clad veterans founded the Kappa Alpha Order at Washington College, Lexington, Virginia, during the war-torn days of 1865. General Robert E. Lee, then president of the institution that now bears his name, served as a living symbol of their chivalrous principles as they dedicated their lives to serving Dieu les Dames. But fifteen years later, Sigma chapter was established on the Davidson campus, and is now one of the 69 strong active chapters which dot the South from coast to coast. Crimson and old gold mark the glory of the Knights of the Kappa Alpha Order, while the Red Rose and truly Southern Magnolia are the fraternity flowers, emblematic of Southern chivalry and deference to woman.

FUN

at the

FIJI HOUSE

Since 1848, when six men banded together at old Jefferson College in the Pennsylvania foothills to form the Fraternity of Phi Gamma Delta, Fijis have looked up to that "Great White Star" shining from above. The Snowy White Owl on the Fiji crest spread his wings over the nation and Phi Gamma Delta now has 74 chapters in the United States and Canada. The Bachelors Club, founded in 1914 by eight Davidson men, brought the purple clematis to the "Hill" in 1923 when they became Delta Kappa Chapter of Phi Gamma Delta. Ever since the Wildeat's lair has reverberated to the favorite tunes of this singing cannibalian clan, "The Fiji Rag," "Smoke Dreams," and "Fiji Honeymoon." The White Star radiating from the Black Diamond has become the symbol of true brotherhood and close fellowship.

SIDELIGHTS

In the ninety-one years since the founding of this first Southern Greek-letter fraternity, Sigma Alpha Epsilon has developed into the largest collegiate social organization in America. S. A. E. has consistently been an outstanding leader on the college campus from coast to coast. Today she stands over all others with her 113 chapters and membership of more than 55,000. From 1883 to the present day S. A. E. has been on the Davidson campus training many loyal sons of Minerva. During the recent conflict brothers of the North Carolina Theta chapter served on land and sea in every theater of operations. Many have returned a bit older and a bit wiser, but essentially the same. Some, however, made the supreme sacrifice, and it is with a sobering responsibility that we face the future in the absence of those old familiar faces.

A LOOK
at the
PHI DELTS

Twenty-six years ago, a local fraternity bearing the name of Delta Theta Chi was formed on the Davidson campus and in 1928 became the North Carolina Gamma chapter of Phi Delta Theta. Today the Davidson chapter takes an active part in all phases of campus activity and stands in a high position among the other chapters of the brotherhood.

Brothers of the sword and shield pledge their loyalty to the colors white and blue and honor the white carnation as their flower. Founded in 1848 at Miami University in Oxford, Ohio, Phi Delta Theta now numbers 107 active chapters in nearly every state in the union and in Canada.

ALL PONCE UPON THE GUILD
AND LAID THEM DOWN TO DIE

RELAXING

with the

KAPPA SIGS

It was in 1869 at the University of Virginia that five men, having opportunity to join one or more of the fraternities then existing at the university, but wishing to belong to the same fraternity, decided to found a new one and adopt the Greek letters Kappa Sigma as its name. Expansion during the early years was slow and uncertain; however, the early perseverance to establish chapters in the United States has led to a rapid and consistent growth of the fraternity. It is perhaps significant, because of the strength of the fraternity and the care with which chapters have been placed, to note that but few of its chapters are now inactive. There are at present 110 active chapters, which are located in approximately half of the universities and colleges located in the United States and Canada which have chapters of national fraternities. Delta was founded at Davidson in 1890, more than half a century ago, and was among the first active chapters in the country.

A VISIT

with the

SPE's

Sigma Phi Epsilon was born on November 1, 1901, on the campus of Richmond College in Richmond, Virginia. There were twelve friends who joined together for the sole purpose of friendship and, with their farsightedness, founded a fraternity that has now taken its place among the great ones of the fraternity world. The twelve friends founded a group which they called the "Saturday Night Club," the program of which was "to recruit the best men of the college that they might be more closely bound together." They succeeded finally in the establishment of a new national Greek-letter group. Thus the infant fraternity grew into the strong, powerful organization it is today, enumerating the birth of all its active chapters in every section of the country and of its alumni members in every part of the world. Its growth has been carefully planned and regulated so that today Sig Ep chapters are to be found on the campuses of nearly every important college and university in America. North Carolina Epsilon chapter of Sigma Phi Epsilon fraternity was founded here at Davidson in 1927, the outgrowth of the old Pyramid Club.

Presenting
the
 Delta Kapps

During the fall of 1946 several groups, interested in bringing a new national social fraternity to the Davidson Campus, met with the idea of pooling their efforts. It was decided to unite around an existing organization, known as Delta Kappa, which had been organized by a few students the preceding spring. Out of this meeting came a reorganization of Delta Kappa with twelve members, and steps were taken immediately to increase the membership and to draw up a suitable constitution. Within a few weeks, three new members joined the group and the constitution was ratified with a charter membership of fifteen. By this time it was decided that Sigma Chi would be the fraternity which would be petitioned. With this goal in mind work was begun in earnest. The faculty was then petitioned for permission to function as a local fraternity. With this permission granted and the organization strengthened, the road was then clear for petitioning Sigma Chi.

Honorary Fraternity Council

The Honorary Fraternity Council, made up of the president or one representative from each honorary fraternity on the Davidson Campus, and its membership totals seventeen.

An honorary fraternity is a fraternity which deals with a specific subject or field. Its members are elected or chosen only when they have shown outstanding abilities in the subject of the particular group.

Duties of the Honorary Fraternity Council include: approving honorary fraternities that wish to organize on the Davidson campus; setting the dates for the meetings of each honorary group; and seeing that the fraternities conduct regular programs in their particular fields.

WOODBIDGE

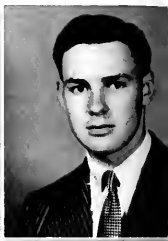

Phi Beta Kappa, founded at William and Mary in 1776, is the outstanding national honorary scholastic fraternity today. To the Davidson chapter of this scholarship fraternity are eligible those members of the senior class who have attained a high degree of success in their college work. Not more than twelve and one-half per cent of this class can be elected to the society in any one year.

Omicron Delta Kappa, represented at Davidson by Delta Circle, is a national intercollegiate honorary fraternity which seeks to give recognition for leadership. Delta Circle honors those students who, through their campus life and work, show qualities of leadership. This organization not only brings together on a basis of mutual understanding members of the faculty and leaders of the student body, but it aspires to direct college sentiment, mold campus opinions, and launch forward movements designed to create a better Davidson.

Facilities

Your investment dealer should have facilities for obtaining and organizing the information pertinent to your interests. This same data will guide him in helping you to select the best current offerings adapted to your needs.

Experience

There is no substitute for experience. The largest information resources are valueless without the background of experience to provide proper interpretation. Wide experience in investments and an intimate understanding of the investor's needs are essential.

Integrity

Naturally the fiduciary nature of the relationship makes it imperative that you be able to place full confidence in your investment dealer—there can be no compromise on this point.

Fully conscious of the responsibilities which your investment dealer should be equipped to assume, we believe sincerely that we can serve you intelligently and helpfully. We hope we will have that privilege.

Get the
SOUTHERN habit
and keep your folks well fed,
Always ask for

SOUTHERN

When you ask for bread.
